Billy Boniface

Republican for Harford County Executive 2022

With inflation running rampant and tax-and-spend policies coming out of D.C. and Annapolis, we need **a conservative leader with a record of cutting taxes** to manage local government as our next Harford County Executive.

Republican Billy Boniface's Record as Council President and as the County's Administrator:

- **Cut the county's property tax rate four times,** saving Harford taxpayers over $130 million
- **Protecting Harford County taxpayers** by never raising county tax rates
- Enacted business-style **efficiency** measures and right-sized the county workforce

All of which has allowed the County Executive to recently propose the **largest property tax cut in Harford County history** which will save taxpayers over $15 million per year.
